WELCOME LETTER

Dear Colleagues, Dear Friends,

On Behalf of the Executive Committee of the LDS, it gives me great pleasure to invite you to participate in the 10th National Congress of Dermatology, to be held on May 28th, 29th & 30th at the Phoenicia Intercontinental Hotel in the very heart of Beirut.

This year's congress program is tailored to provide an innovative, dynamic and comprehensive overview of the latest developments in various fields of dermatology. The organizing committee has prepared an excellent program that will feature leading experts and well renowned speakers, both local and international, who will share the most up-to-date knowledge and skills in basic, clinical and cosmetic dermatology, to meet the diverse interests of the participants.

The third day of the congress will be opened to public in the afternoon, in an attempt to increase people awareness, regarding vital health issues.

Likewise, an exciting social activity will be organized on Sunday 31st of May. We invite you to join and spend the day in one of the most attractive villages in Lebanon: BEITEDDINE; this will provide us all the opportunity to mingle and network with colleagues in a very relaxed setting. Everyone will surely enjoy the warm hospitality and rich cultural heritage that our country is famous for.

Finally, we would like to express our thanks to all the pharmaceutical and manufacturing industries for their generous support and their genuine commitment as well as to the Trust & Traders International team for their dedication, support and advice in planning and arranging this meeting.

We hope that this congress will be exciting and rewarding to all.

Looking forward to seeing you all in May 2015.

Yours Sincerely,

Josiane Helou, MD
President of the Lebanese Society of Dermatology
